

*From a 4EVER Mission to 4EVER Homes:  
Save-A-Pet No-Kill Adoption Center  
2010 Guardian Angel Program Overview*

Thank you so much for your interest in the 2010 Guardian Angel Program. Your generosity will help Save-A-Pet continue its 4EVER mission to rescue, heal and place thousands of cats and dogs—that might otherwise be euthanized, relinquished or abandoned— into 4EVER homes.

The Guardian Angel program allows you to “sponsor” a residents or multiple residents by helping fund their basic care and feeding—including non-prescription food, annual vaccinations, play time, toys, and treats.

*Please note that the actual cost to care for a healthy resident exceeds \$1,000 per year—including basic feedings, kennel/condo cleanings, walks/socialization, and annual vaccinations. That said, ensuring the health and emotional wellness of Save-A-Pet residents drastically increases the likelihood of a successful adoption.*

Your financial contribution to the Guardian Angel Program is 100% tax deductible. You will receive both a print and electronic picture of the resident you choose to sponsor—as well as quarterly e-mail updates regarding the happenings and overall status of your resident. We appreciatively ask for a monthly donation of \$25 which would be automatically deducted from your credit card or bank account via PayPal. If you cannot afford \$25 per month, we politely ask that you make a minimum three-month commitment based on what you can give.

To choose a resident to sponsor, please peruse the current population and “stories” on our web site: [www.saveapetil.org](http://www.saveapetil.org). When you have identified a resident you’d like to sponsor—please e-mail [gap@saveapetil.org](mailto:gap@saveapetil.org) with the resident’s name as well as your contact information. We will reach out to you within 48 hours with more information (i.e. the availability of the resident, etc.)

Should your resident be adopted—you will be informed within 30 business days—and you will be offered the opportunity to transfer your sponsorship to another resident. Sponsorships are non-refundable.

On behalf our all of our current residents, we again thank you very much for interest in the Guardian Angel Program. You are about to improve the life of a resident—and improve their chances of finding a 4EVER home. Please contact me with any questions or concerns

Cordially,
