

*From a 4EVER Mission to 4EVER Homes:
Save-A-Pet No-Kill Adoption Center
2010 Spring Wish List: Food and Supplies*

Thank you so much for your interest in supporting Save-A-Pet's food and supply needs. Your generosity will help Save-A-Pet afford to practice its 4EVER mission to rescue, heal and place thousands of cats and dogs—that might otherwise be euthanized, relinquished or abandoned— into 4EVER homes.

If you have any questions about the items below—please e-mail marcp@saveapetil.org. Food and supply donations are accepted during normal business hours as listed on our web site's "About Us" page.

Please note that all food, treats, vitamins, supplements, and/or other consumable goods can only be used by Save-A-Pet if they are unopened. Previously opened items will be used to stock our new, on-site community food & wellness depot.
